The Metropolitan Airport Authority of Rock Island County has established a Disadvantaged Business Enterprise (DBE) Program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. It is the policy of the Metropolitan Airport Authority of Rock Island County to ensure that DBEs as defined in Part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. The **Disadvantaged Business Enterprise (DBE) goal** for the project has been established at **4.0%**.

Compliance with the requirements of the DBE Program Goals found in the Specifications is a mandatory part of the bidding process. Contract award will be based in-part upon DBE participation.

The bidder shall furnish the Owner satisfactory evidence of his/her competency and financial capability to perform the proposed work. Such evidence of competency, unless otherwise specified, shall consist of statements covering the bidder's past experience on similar work, a list of equipment that would be available for the work, and a list of key personnel that would be available. In addition, the apparent low bidder shall furnish the Owner satisfactory evidence of his or her financial responsibility. Such evidence of financial responsibility, unless otherwise specified, shall consist of a confidential statement or report of the bidder's financial resources and liabilities as of the last calendar year or the bidder's last fiscal year. Such statements or reports shall be certified by a public accountant. At the time of submitting such financial statements or reports, the bidder shall further certify whether his or her financial responsibility is approximately the same as stated or reported by the public accountant. If the bidder's financial responsibility has changed, the bidder shall qualify the public accountant's statement or report to reflect the bidder's true financial condition at the time such qualified statement or report is submitted to the Owner.

Unless otherwise specified, a bidder may submit evidence that he or she is prequalified with the State Highway Division and is on the current "bidder's list" of the state in which the proposed work is located. Such evidence of State Highway Division prequalification may be submitted as evidence of financial responsibility in lieu of the certified statements or reports specified above.

Additional information may be requested after the receipt of bids to further determine that a contemplated awardee is fully qualified to receive the award. Such statements and information shall be furnished immediately upon request.

#### **Federal Provisions**

This project is subject to but not limited to the following Federal provisions, statutes and regulations by reference:

Equal Employment Opportunity - Executive Order 11246 and 41 CFR Part 60:
