The Metropolitan Airport Authority of Rock Island County has established a Disadvantaged Business Enterprise (DBE) Program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. It is the policy of the Metropolitan Airport Authority of Rock Island County to ensure that DBEs as defined in Part 26, have an equal opportunity to receive and participate in DOT-

assisted contracts. The **Disadvantaged Business Enterprise (DBE) goal** for the project has been established at **8.0%**.

Compliance with the requirements of the DBE Program Goals found in Volume #1 of the Specifications is a mandatory part of the bidding process. Contract award will be based in-part upon DBE participation.

Each prospective bidder, in evidence of competence, to perform the type of construction or related construction required by the project description, shall furnish to the Quad Cities International Airport, Metropolitan Airport Authority of Rock Island County as a part of their prospective proposal, a current, certified or photostatic copy of a "Certificate of Eligibility" issued by the Illinois Department of Transportation in accordance with IDOT's instructions for Prequalification of Contractors.

As an alternative to Illinois Department of Transportation pre-qualification, a contractor may submit a statement of experience and financial capability to the Airport along with their bid. Said statement shall provide information regarding the successful completion of a minimum of three projects of similar scope and magnitude within the last two (2) years including project reference who can verify the contractor's role and satisfactory experience performing similar work. The statement will also provide a summary of any outstanding liens or judgments against the contractor or other factors that may interfere with the completion of this work. Finally, the Contractor shall provide a general summary of financial capability. Failure to demonstrate experience or financial capability will be considered cause for disqualification of a bidder.

Additional information may be requested after the receipt of bids to further determine that a contemplated awardee is fully qualified to receive the award. Such statements and information shall be furnished immediately upon request.

Federal Provisions

This project is subject to but not limited to the following Federal provisions, statutes and regulations by reference:

Equal Employment Opportunity - Executive Order 11246 and 41 CFR Part 60:

Goals for Minority and Female Participation – Executive Order 11246 and 41 CFR Part 60:

Certification of Nonsegregated Facilities – 41 CFR Part 60
